The Marine Layup Professionals.

With a rich history dating back to 1975, we have become the Marine Layup Professionals you can rely on. Our vast experience spans across all types of vessels, providing bespoke solutions that meet the unique needs of each client. We are more than just a service provider; we are a trusted partner committed to your vessel's optimal performance and longevity. As we continue to lead in our industry, we honor our past and look forward to maintaining our legacy of excellence. We are the Marine Layup Professionals, committed to delivering superior service and expertise in the world of maritime layup operations.

Milestones & Achievements.

- 5 **Global Maritime & Aerospace Awards 2023**
ISC was recognized as the industry's best performer, a testament to our superior service and performance in the maritime sector.
- 4 **Ship Lay-Up Guide Book Publication**
ISC pioneered the publication of the world's first Ship Lay-Up Guide Book, showcasing our expertise and thought leadership in the industry.
- 3 **Safety Records**
ISC has maintained an outstanding safety record, with 9 million hours free from any Lost Time Injury (LTI), demonstrating our commitment to ensuring the safety of our workforce.
- 2 **Partnership Formation**
ISC has formed strategic partnerships with various oil majors, enabling us to leverage an extensive network and provide comprehensive services to our clients.
- 1 **Lay-up Guidelines with Lloyds Register**
ISC was instrumental in providing lay-up guidelines to Lloyds Register, which are now widely used, exemplifying our industry influence and knowledge contribution.

Designated Lay-up Anchorage Brunei Bay, Sabah, Malaysia

Our lay-up anchorage in Brunei Bay, Sabah, Malaysia holds the distinction of being the world's first, exclusively designated for ship lay-up by port authorities.

- Securely located in a sheltered bay, our anchorage is unaffected by harsh weather patterns, and strategically positioned away from typhoon-prone zones.
- Offering water depths between 20 to 30 meters, this anchorage ensures a firm and safe holding ground for vessels.
- Safety is of paramount importance; regular patrolling by maritime authorities helps maintain the security of the area.
- A record of zero piracy or pilferage incidents stands as a testament to the security we provide.
- The extensive area can comfortably accommodate up to 150 ships, each anchored at a safe distance of 1.5NM apart.
- Modern conveniences are not forgotten – our anchorage has strong phone and internet signals, and clear VHF communication between ships and our operation base.
